Subject: Emergency life matter request on BlockFi bankruptcy

CAUTION - EXTERNAL:

Dear chambers of Judge Kaplan:

I am a creditor of BlockFi Inc. Unfortunately due to the company's negligence and fraudulent advertisement only a few days before the pause, they asked for more than \$50,000 from me which is stuck on the platform. Unfortunately, **I got laid off last week** and I am in EMERGENCY need of my funds back for survival.

Given my emergency situation, is there any way the judge can honor my withdrawal? This is a life-matter situation.

- frustrated.
